Sir :

Please find attached a proposed Certificate of Correction.

Please correct the following errors appearing in the printed patent which are apparently the fault of the U.S. Patent and Trademark Office, as per the attached Certificate of Correction. Since the errors are the fault of the USPTO, no fee is due.

At column 16, line 44 (claim 22, line 5) of the printed patent, "processor to receive" should read --processor configured to receive--. This appeared correctly on page 6 (claim 22, line 4) of the Amendment under 37 C.F.R. § 1.116 filed May 17, 2007.

At column 16, line 46 (claim 22, line 7) of the printed patent, "network in real time with" should read --network with--. This appeared correctly on page 6 (claim 22, line 5) of the Amendment under 37 C.F.R. § 1.116 filed May 17, 2007.

At column 17, line 14 (claim 22, line 40) of the printed patent, "zccount" should read --account--. This appeared correctly on page 7 (claim 22, line 27) of the Amendment under 37

C.F.R. § 1.116 filed May 17, 2007.

At column 22, after Claim 59 of the printed patent , insert the following claims:

60. The system of claim 1 wherein the customer financial account information comprises customer financial card information.

61. The system of claim 22 wherein the customer financial account information comprises customer financial card information.

62. The method of claim 30 wherein the customer financial account information comprises customer financial card information.

63. The system of claim 50 wherein the customer financial account information comprises customer financial card information.

All of the above listed claims were submitted and appeared correctly on pages 15 and 16 of the Amendment under 37 C.F.R. § 1.116 filed May 17, 2007.

Therefore, it is respectfully requested that a Certificate of Correction issue in the above-identified patent as follows:

At column 16, line 44 (claim 22, line 5) of the printed patent, “processor to receive” should read --processor configured to receive--.

At column 16, line 46 (claim 22, line 7) of the printed patent, “network in real time with” should read --network with--.

At column 17, line 14 (claim 22, line 40) of the printed patent, “zccount” should read --account--.

At column 22, after Claim 59 of the printed patent , insert the following claims:

60. The system of claim 1 wherein the customer financial account information comprises customer financial card information.

61. The system of claim 22 wherein the customer financial account information comprises customer financial card information.

62. The method of claim 30 wherein the customer financial account information comprises customer financial card information.

63. The system of claim 50 wherein the customer financial account information comprises customer financial card information.

Should there be any questions, the Examiner is invited to contact the undersigned at the below-listed number.

Respectfully Submitted,
MERSKY, et al.
